Dear all,

Please ensure you read the letter regarding our school response to COVID-19. We have provided paper copies to ensure you all have the information. As you will read in the letter, good hygiene is paramount and this is discussed daily across both schools. Please respect the advice regarding keeping children off who have any of the symptoms listed. On a lighter note, in our assembly today we watched a fabulous photo story of HMO World Book Day 2020. I will do my best to upload it onto the website next week for your enjoyment.

Don't forget the Rainbow non-uniform day next Friday. Have a happy and healthy weekend,
Olivia

Saplings

We visited the RHS Garden Harlow Carr this week and helped Colin the Caterpillar find his colourful coat he had left behind in the bushes. We loved walking across the green grass and in the sheltered wood. We felt the blustery wind brush our faces, light rain pitter patter on our coats and watched the bright sun reflecting of the stream. We also made beautiful artwork out of natural objects we found in the gardens. We read 'Megs Veg' to prepare for our visit and think about how plants grow. We explored compost, shook bags of seeds and sowed them in our flower bed. We then watered them with our class watering cans. We thought about what our garden might look like and used flowers to print attractive flower beds. We can't wait to see our wildflowers grow!

Catkins

Catkins had fantastic day out at Tropical World this week, we spent lots of time exploring all the different types of animals and plants in the different areas. After lunch we went to the park and had lots of fun, even the sun came out to play.
