Happy Friday everyone!

Today staff have spent the day developing and enhancing our curriculum to develop it into a three year plan. Our whole school curriculum has overarching themes that are then broken into four phases of learning; EYFS, Pre Formal, Semi Formal, Formal (these will become more evident in your child's EHCP in Section 3, 3.2)

We will be sharing a curriculum document with you to help your understanding of our child's curriculum entitlement, as it will differ from siblings in other schools.

I had the pleasure of chairing two EHCPs this week and it was wonderful to hear that Grace in Twigs attends her local Brownies troop -it was delightful to hear about this community inclusion and would love to hear from more of you on the community opportunities that your children access -I'd love to create a display in school evidencing this. Please could you upload a picture onto Tapestry that you would be happy for me to use in a school display (if you make a note in the home/school book that would also be helpful).

I hope you have a lovely weekend.

Buds

Buds have had a wonderfully busy week. We went to Tropical World in Leeds where we saw fish, lizards, snakes, monkeys, bats and meerkats to name a few. We had a lovely time discovering all the creatures and enjoyed lunch in the café before going back in for a 2nd go!

We have also been learning about pirates for World Book Day. Our story is 'The Night Pirates' and we are hoping to have lots of fun dressing up for this too. The children made their own peg doll pirates to use in the sensory pirate ship tray. We went to a neon disco in the week. This was super fun looking at all the colours and lights. What a super week!
