I hope you all had a lovely weekend, helping your children to celebrate the special mothers and ladies in their lives. It was wonderful to see all the special gifts and cards the children made in school.

Thank you for your support with our 'wear red day' our class teams looked fab- check out our twitter!

A little reminder about our parents group for children with complex needs, it is the starting point of a developing group so please join us by emailing admin.hmo@ebor.academy for the virtual link.

We look forward to seeing your creative Easter crafts via tapestry next week—happy crafting this weekend! Please

note on your calendars that Friday 30th April is the new training day. All transport providers are aware. Thanks, Olivia

We would like to say thank you to everyone who donated and helped us raise money for Red Nose Day. So far we have raised a fantastic £249.

Green Shoots

This week Green Shoots have been learning about static electricity. They conducted two science experiments. They watched as the salt and pepper jumped in a box, and how static electric can make their hair stand on end! In art, the class painted their own Picasso style portraits. They have looked at different tones of a colour and have been exploring the colour blue. An amazing week in Green Shoots.

FACE MASKS MUST BE WORN WHILST ON THE SCHOOL SITE. THANK YOU
