Happy Friday everyone! Thank you to those parents who joined our parent's group this morning. It was a small group of mums & dads but the topics of discussion were really insightful and helpful. We will share the minutes with relevant families next week.

On Friday 7th May, we will be participating in the NSPCC 'Number Day' as a school. Our Maths Leaders will share more information in the upcoming week.

Just to remind you Friday 30th school is closed & Monday 3rd May is a bank holiday. We hope you have planned a lovely long weekend of fun with your children.

Please can you send your children in with sun hats and apply sun cream before sending them into school. Please send in sun cream if

your child will require additional application during the school day.

We are enjoying the warmer weather in our outdoor areas!

Many thanks, Olivia

Olivia Hargreaves

Boughs

This week Boughs class had lots of fun learning about our new topic 'survival'. In KUTW we have been exploring nature as well as preparing for our in school camping trip, looking at what we will need to pack and learning about camping through small world play and sensory stories. In maths we have been working really hard learning about fractions and in English we have done amazing work around our new book 'The Great Explorer'.

FACE MASKS MUST BE WORN WHILST ON THE SCHOOL SITE. THANK YOU

Happy Hob Moor Oaks

We wish a Happy Birthday this week to: Sparsh

Family Matters York are running a selection of parenting courses throughout April and May and there are still places available. The courses are available online via Zoom, to book or for more information on any of their courses please visit: <https://fmy.org.uk/parenting/> or email: helenatkinson@fmy.org.uk.
