8th Parents Community Hub
10-11.30

11th Training Day

25th Mothers Day Afternoon

April

8th Easter Eggstravaganza
11-22nd Easter Holidays

What a week we've had! Our performance of Hob Moor Oaks at the Movies was just AMAZING! To think that our assemblies are still virtual and our lunches are eaten in classrooms yet the children have learnt to tolerate and cope with a production in the hall with lights, music and a live audience after 2 years is just fantastic! The costumes, props, introductions, dances, solos and signing filled everyone with pride and happiness (and lots of happy tears). Thank you to our parents and carers for supporting us and making it a show to remember. Your feedback is a pleasure to read, thank you for taking the time to share your thoughts. We will pop your feedback onto our website for our wider school community to enjoy it too!

Charlotte & Wendy are our Maths subject leaders in school, they are busy planning our NSPCC number day for next Friday. We are looking forward to seeing the children in their number themed outfits. If you'd prefer to send your child into school wearing their uniform and staff help get them changed that is fine to do so. Thank you to those who have already completed and returned the 'About My Child's Eyes' forms. You have until the 4th March 2022 to return them. We will scan and email the documents over to the Eye Care Team on your behalf.

Wishing you a lovely weekend, Olivia

Olivia

Happy Birthday this week to: Theo, Letitia & Rowan

Trunks

Trunks have been looking at travel and journeys this term. We have been learning about ordinal numbers by racing cars, mark making with Trucks, adding and counting cars and much more. We are having lots of fun!
