Today the children and staff have participated in the NSPCC number day. Each class prepared a number themed activity for children to encounter whilst practising their transition skills around school. The children have enjoyed their stripes and number themed outfits! Well done to you all for your creativity!

Thank you to those parents and carers who have already completed the parent survey. Your feedback is really valuable and we will analyse the data from Monday 14th. Please can you take some time to follow the parent hub link to give your views.

We have really enjoyed reading your feedback via the care diary & thank you cards for our Hob Moor Oaks At The Movies production. It gives all staff a lovely boost to hear your feedback and thanks. We are working behind the scenes to collate all the photos and videos we captured over the two days. We'll share this with you as soon as it's ready!

We look forward to seeing our Y6 parents on Tuesday for our parents meeting, 2:30pm. Please let class teachers know via the care diary if you'd like your child to go home with you rather than transport.
