Headteacher Update

Dear Parents/Carers

What a lot of smiling children! As you can see from these photos, we have had some fabulous playtimes this week. Since half term, we have been talking to our children about their playtime experiences and gathering their ideas about what we can do to ensure playtimes are full of fun and laughter. Our Playground Charter; Be Safe, Be Happy, Be Healthy has been introduced in assembly and both staff and children have been really excited about making their wonderful ideas a reality. New activities will be on offer for the children over the next few weeks and our Pupil Council will also be given a small monthly budget to increase what's available for their friends on the playground. After just 2 weeks, we have seen calmer children returning to their learning after lunch and had much fewer incidents requiring adult attention during the lunchtime period. Feedback from the children has been really positive and so many children have been keen to say 'Thank You' for the hard work the staff have put in to try and make playtimes fun for all.

We will be supporting World Down Syndrome Day on Monday 21st March by asking pupils to 'Rock their Socks' by wearing colourful and crazy socks for school.

Thank you to everyone for your kind donations to Red Nose Day, so far we have raised £123.18. The children have had lots of fun sporting their crazy hair and hats! Thank you

Could we please remind you that adults and children must not ride scooters or bikes within the school site, this includes playgrounds and footpaths. Please dismount before coming through the school gates.

We would also like to remind you that dogs are not permitted anywhere on the school site at any time. We thank you for your support in these safety concerns.
