May
17th, 18th, 19th, 24th, 25th—
Jessie's Fund
27th May Jubilee Street Party.
30th May-3rd June - Half Term
Holiday
June
17th Father's Day Open After-
noon

Happy Friday everyone! This week we have celebrated our courageous Y6 pupils during our Lea Green Awards evening. Many children come back into school to watch a wonderful presentation video of the memories we made and received special recognition awards. It was a special evening and I thank the families and staff members who came to make this a milestone in the lives of our Y6s. We will post the video onto our website for you to enjoy.

Next week we welcome Jessie's Fund into school for our Pre Formal learners. Parents will have received a message inviting them to join us, please don't worry if you can only attend some and not all, if you would like a grandparent to attend in your absence, please let your class team know via the care diary.

Happy Birthday this week to:
Lorenzo & George

On Friday 27th March we will be having a Jubilee Street Party. You will receive royal invitations on Monday 23rd, but to help arrange your diary, parents and friends of HMO will be invited to join us at 1:30-2:30pm in our courtyard (weather permitting). Children and staff are invited to wear red, white, blue or dress as a princess/prince for the day!

In our Local Governing Body meeting this week we discussed a new initiative for raising our pupil attendance figures. We will launch 'Be a Hob Moor Oaks 'HERO' by the end of this half term. HERO stands for—**H**ere **E**veryday **R**eady **O**n time. We have an information booklet and supporting guidance, this will be sent out and will be available on our website.

During our Parent's Community Hub we had a VERY productive meeting regarding summer holiday activities, we have a small group of parents who are working with us to develop our vision. More to follow but we have a good feeling about this!

Have a lovely weekend, Olivia

Olivia

In Boughs class our topic this half term is 'Healthy Me'. We planted different vegetables at the start of the half term, learning about what they need to healthily grow and observing them change over time. The children have been watering these plants daily with watering cans that they made in class. We have also been making a variety of healthy snacks and tasting these during Food Technology sessions.
