Welcome back to everyone. I hope you've all had a lovely week with your children and family. I enjoyed celebrating Reuben's 2nd birthday with our friends and family. It was lovely to see your half term fun via tapestry, thank you for sharing these with us.

This half term is going to be a fast paced one, in the next couple of weeks we will share our class lists, end of year reports, have our meet the new team meetings, sports day, summer trips and our Y6 leavers assembly! It is lovely to know that all these events will be in person this year... and yes - we do have a parents race so get your trainers out!

This week we welcomed our new parents and carers to our transition coffee morning, it was lovely to meet our new families. As the Y6 pupils continue to prepare for saying goodbye to Hob Moor Oaks and move onto Applefields, I also prepare to say goodbye to our Y6 pupils and their families. We will have a special leavers event on Wednesday 20th June, provisionally 10am onwards - I will confirm these plans within the fortnight.

We have a final Parents Community Hub on Tuesday to firm up the work we have been completing in school to build a timetable of events that you can access as families during the summer holidays. All welcome, 10-11am Tuesday 14th June.

Have a wonderful weekend in the sunshine! Olivia

Olivia

Arthur, Diogo & Tristan

Hob Moor Oaks Heroes of the Week

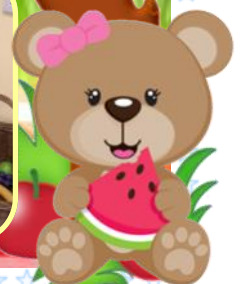

Rachel and Carys for sharing their brass band talents
at our Jubilee Street Party

Buds

Buds class have started our new class text "The Teddy Bears Picnic" this week. We have been linking the teddy bear theme into all of our communication, language and literacy and mathematical development work. We look forward to continuing this learning this half term and enjoying a summer picnic at the beach in July!

The Apple Cart is run by Applefields post 16 pupils, it's a cash only shop and will be selling pick and mix sweets and some homemade crafts. Please come along or send some money in if you'd like your children to help support this initiative. We are excited to work in partnership with The Apple Cart to support the student's work experience.
