Dear Parents and Carers

Every week is busy at Hob Moor, but goodness this last two weeks have been exceptionally busy, with everyone working so well together to showcase our very best teamwork.

Can I start by saying a huge 'Thank You' for all your support on the last day of September to help us raise just over £500 for Macmillan Cancer Support. This was our best effort to date and the number of yummy cakes we had donated was quite overwhelming.

Last week was a memorable one, with a visit from Ofsted. Hob Moor had their last full inspection in 2013 so we've been waiting for a visit for some time.

The team work was amazing, with everyone playing their part. We are now eagerly waiting for their feed back. All inspection reports go through a series of rigorous checks prior to publication. We do hope we receive our report before half term and everyone will receive this as soon as it is published to the school.

This week we had another successful visit to the school, when Mr Unwin and the Early Years Team hosted a group of Early Years teachers to our Early Years provision. The visitors had the pleasure of watching our youngest children enjoying their maths lessons and then spent time with the children in the Areas of Provision. Well done to everyone involved, the feedback from the day was really positive.

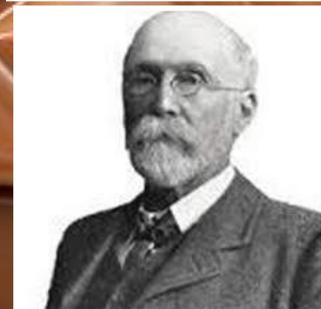

Have a lovely weekend

Key Stage 1

This half term in KS1 we have been studying the famous people of York. Over the past few weeks we have been learning all about Joseph Rowntree and the sweets he created, we started off by learning lots of different facts about Joseph Rowntree and how he helped York. Did you know that he built houses for the poor in New Earswick? We then became chocolate tasters and tried lots of different types of Kits Kats to see which one we liked the most. This was a very yummy lesson! In English we are learning how to write instructions and we got to follow some instructions to make our own chocolate lolly pops. At the start of the week we received a very exciting letter from Nestle who asked us to design and make our own chocolate bar! Yesterday we got to make our chocolate bars and taste them. I wonder if Nestle will chose any of our designs? In Design Technology we have been building stable structures and making them into our very own chocolate factories just like the Cocoa Works! We have really enjoyed learning all about what makes York great!

ANTI-BULLYING WEEK 2022!

#ANTIBULLYINGWEEK

We will be taking part in Anti-Bullying week 14-18th November. To celebrate what makes us all unique we will be holding an 'Odd Socks Day' on Monday 14th November and we are inviting the children to come to school wearing odd socks.
