

Friday Letter for Parents and Carers

30th June 2023

What a memorable day!

LONDON

Sports Week 2023

Sports Week has hit the ground running with each phase being involved with a range of sports. The theme for this year is focusing on 'Play for fun. Play for 60'. Meaning children to be involved in an activity or sport for 30 minutes in school and 30 minutes outside of school each day. On Tuesday, LKS2 were visited by Mr Glassby from the 'Play 2 Par Golf Company'. Children participated in a fun and engaging tri golf session. The challenge was accepted and the children were amazing when it came to the putting and chipping activities. Smiles all around.

UKS2 took their time to learn a sport which was unfamiliar to many, Boccia. They watched detailed and informative videos which discussed the rules and background of the sport. From there, the children faced off, in their houses, to find out which house was the best. In the end, with some great sportsmanship on show, we had our winner. It was Team Pegasus! A much deserved victory. Adding a creative spin to sports week, UKS2 also created some amazing collage art linked to a variety of sports. Meticulously they chose from a variety of magazines piecing together some wonderful works of art.

To end the week, Reception and KS1 were visited by Mrs Brown from Kinesis Dance. With careful and focused minds they followed choreographed routines to some very famous tunes. You could feel the energy and enthusiasm through the school not only from the children but from the staff too. Who enjoyed it more is another question!

Another huge shout out to the dedicated Year 5 children who were our Sports Leaders. They have made the staff proud across the school by taking on an activity and delivering it to a specific key stage. A huge well done to them all!

Summer Dates:

July:

- | | |
|--|---|
| 4th - Year 5 & 6 Sports Morning @ 9.30am / Picnic Lunch/
Year 3 & 4 Sports Afternoon @ 1.15pm | 11th - Annual Reports & Class Allocations sent home |

w/c	Orca	Turtle	Starfish	Octopus	Seahorse	Dolphin	Stingray	Lobster	Puffer Fish	Shark	Sea Otter	Whale
12.06.2023	84.9%	93.4%	89.5%	83.8%	75.8%	92.1%	86.8%	89.6%	89.3%	81.1%	92.7%	81.0%
19.06.2023	78.0%	91.8%	85.0%	86.9%	85.4%	86.7%	90.7%	95.0%	88.9%	85.9%	92.3%	86.9%

Relay For Life York These Kids are Heroes is a Cancer Research UK event taking place in the summer. This year they are looking to get as many children as possible involved where they will walk / skip / dance their way around a track for one hour. When children sign up they receive a free T-shirt and would also get a medal on completion. It's free to take part - just scan the QR code on the leaflet or use the following link and enter the password— *heroes*.

Stars of the Week

23rd June

Turtle

Elizabeth for her amazing effort in maths, where she has been challenging herself to explore lots of numbers!

Starfish

Theo for completing all his work & following his new routine!

Octopus

Kyron for working really hard practising his running stitch ready to make puppets next week. He showed an amazing attitude & wanted to continue practising the rest of the week.

Seahorse

Lilly for her amazing effort in English these past two weeks, learning all the key features of an acrostic poem. Well done Lilly, keep it up!

Dolphin

Oakley for showing perseverance, resilience & determination when learning to sew!

Stingray

Maria for her super listening & hard work in maths. All of her hard work has paid off as she has really grown in confidence this year. Keep it up Maria!

Lobster

Charlotte for superb work writing different types of sentences about characters. She has used some great vocabulary and detail in her work. Well done!

Puffer Fish

Lilly Rose for showing an amazing attitude in all her learning! Well done in all your learning.

Shark

Lacey for her determination in our competition, 'The Magic Door'. We are so proud of you Lacey.

Sea Otter

Evie for her fantastic contributions to our imaginative setting description writing.

Whale

Anya for consistent high-quality work, for her excellent recent work in maths and for being supportive towards others.

Miss Hagen's Deputy Headteacher Award

Michael for his fantastic contributions to class discussions
