Mr Jolly's Update

Dear Parents and Carers,

We have made it through the first two weeks of the new academic year! Walking around the school over the past fortnight, it has been a joy to see our classrooms filled with energy and bright smiles once again. Our new Reception children have settled in brilliantly, quickly learning the routines and making new friends. Across all year groups, teachers have been really impressed by how smoothly the children have transitioned into their new classes and how eager they are to learn.

Best wishes
Mr Jolly
Headteacher

Meal bookings

Please remember to check you have booked meals for your child before the beginning of the week.

We cannot always be sure there will be enough spare food to account for pupils who come to school without a meal booked. If you need support with this, feel free to contact the school office,

Class Attendance

8th-11th Sep

98.78%	Butterflies	95.1%

Year 6 Residential to PGL Newby Wiske

A particular highlight of this week was having the chance to join our Year 6 children on their residential to PGL Newby Wiske. It was a great experience watching them tackle giant climbing walls, conquer team challenges, and fly down the giant zip-wire with such determination and teamwork.

Every single child stepped out of their comfort zone, supported one another, and showed great resilience. They were an absolute credit to our school. The PGL staff even commented on their fantastic manners and positive attitudes. A huge thank you to the staff members who gave up their time to accompany the children and make this adventure possible.

Free After-School Clubs re-starting Soon

We are excited to announce that our Autumn Term After-School Clubs will be launching very soon. Extra-curricular activities play a vital role in every child's development—helping them discover new passions, build self-confidence, develop social skills outside the classroom, and stay active and healthy.

Unlike many other schools that charge for extra-curricular provision, we are proud to offer our teacher-led after-school clubs completely free of charge. We firmly believe that every child should have equal access to enrichment opportunities regardless of cost. Look out for the letter next week and ensure you get your children signed up.

Reminders:

Uniform & Belongings: Thank you for sending the children in looking so smart. Please ensure all jumpers, coats, water bottles, and PE kits are clearly labeled with your child's name. We already have a growing number of new jumpers with no names in.

Drop-off & Pick-up: Thank you for your patience as we get back into the routine at the school gates. As a reminder, the children begin their learning from 8:50am. Please ensure your child gets the best start to each day and arrives in good time.

Thank you, as always, for your continued support, warm welcome back, and partnership in your child's education.

Opportunity.

Reminder.

Please remember that children under the age of 16 are not permitted to collect their siblings from school. If a child under the age of 16 comes to collect your child, we will call you and ask you to arrange a suitable guardian to come and collect.

We also want to remind you that dogs are not permitted on the school grounds.
